Day 11 | 12.7 km (7.9 mi)

What to expect

- **Parking:** Roadside at the east end of Hillcrest Ave, with access to the Chedoke Radial Trail.
- **Main Bruce Trail:** Runs beside the Chedoke Radial Trail, a former railway line (1908-1931). A 2015 trip report describes a long set of steps up to a Lower Chedoke Falls lookout, metal steps near the Chedoke golf club, and woods and open meadows through Iroquoia Heights Conservation Area. Expect stairs.
- **Iroquoia Heights Side Trail:** Mapped as nearly level (about 1% average grade), running from near Scenic Dr and forming a loop with the main trail through Iroquoia Heights Conservation Area.
- **Scenic Falls:** Near the west end of the Chedoke Radial Trail by Scenic Dr, a roughly 18 m falls in a small gorge. It is best after heavy rain, and trees limit the view. Details of the Scenic Woods Side Trail itself were not found.
- **Robert MacLaren and Hillcrest Ave side trails:** Short connectors; no further details were found.
- **Length:** At 12.9 km this is a long day; plan water and rest stops for Zappy.
