What to expect

- **Parking:** Lot at 10200 Sixth Line Nassagaweya, giving access to the Hilton Falls Side Trail. This walk covers a different stretch of the side trail than the route toward the falls, out and back.
- **Wet ground:** A trip report from the Sixth Line area notes the dolomite bedrock holds water in pools near the surface and many trees fall in the wet conditions. Expect soggy patches and blowdowns.
- **Road walking:** Two stretches of the side trail follow a road shoulder (walked both ways); keep Zappy close and walk single file facing traffic.
- **Details thin:** No specific description of this stretch of the Hilton Falls Side Trail was found. Follow the blue blazes and the guide's directions.
