Day 26 - Credit Valley Footpath

Bruce Trail side-trail plan (dog-friendly, max ~8 mi) · Toronto section · hike 34 · Credit Valley Footpath

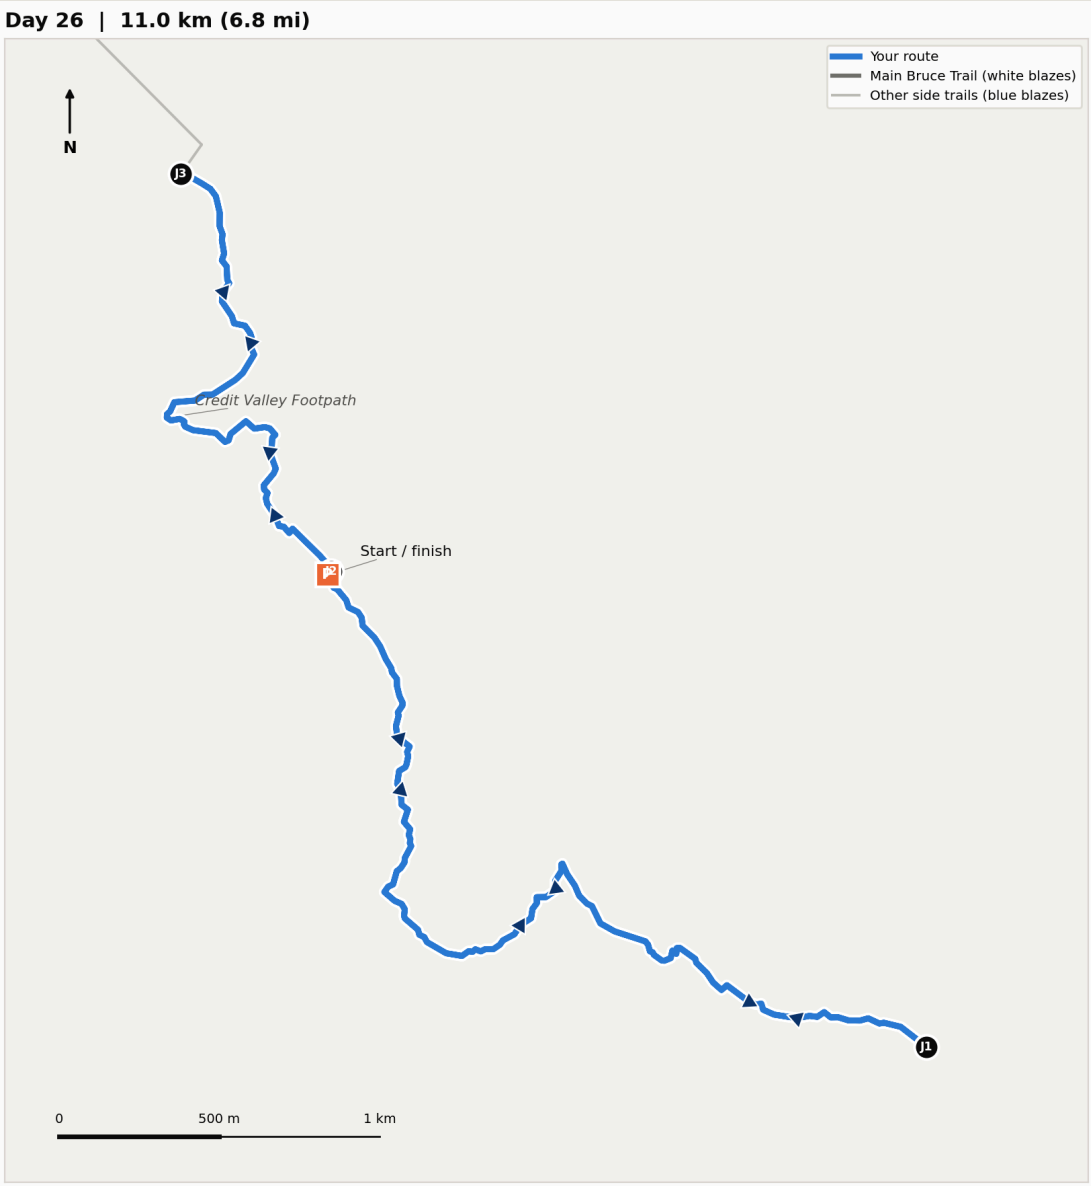

11.0 km / 6.8 mi	~3.1 h	5.6 km new	41 min
total walking	hiking, plus stops	side trail covered	drive each way, Sat 7 am

Park: Roadside parking on Prince Street (20th Sideroad) across from the cemetery. Google Maps.

Navigate: import *day26_hike034.gpx* into Gaia GPS. The track is the whole route in walking order, and the J waypoints match the directions below.

Side trails covered: Credit Valley Footpath (5.6 km)

Route map

What to expect

- **Parking:** Roadside on Prince Street (20th Sideroad) across from the cemetery. This is an out-and-back walk, so you retrace your steps to the car.
- **Credit Valley Footpath:** A blue-blazed side trail that follows part of the Credit River. A hiking club describes roots, rocks, some river crossings, and ground that is very hilly and rugged in spots; it recommends waterproof boots, poles and insect repellent.
- **Steps:** A trip report mentions steps on the descent between the main trail and the footpath near Tenth Line.
- **History:** The whole footpath runs almost 10 km and leads to the 1837 Barber Paper Mills in Georgetown and, downstream, the site of an early Barber dynamo. These may lie beyond today's turnaround.

Turn-by-turn

km	mi	Directions
0.0	0.0	Start at the parking: Roadside parking on Prince Street (20th Sideroad) across from the cemetery. Head south on the blue-blazed Credit Valley Footpath.
3.5	2.2	J1: End of the Credit Valley Footpath. Turn around and retrace your steps.
6.9	4.3	J2: You pass the start again. Keep going on the blue-blazed Credit Valley Footpath, heading north-west.
9.0	5.6	J3: Turnaround point. There is trailhead parking here (Roadside parking on 22 Sideroad west of Tenth Line where the Credit Valley Footpath heads…). Turn around and retrace your steps.
11.0	6.8	Back at the parking. Hike complete.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on the Guelph Hiking Trail Club, Hiking the GTA and a Vanderplas family trip report.
