What to expect

- **Parking:** Roadside on Tenth Line, 2.2 km southeast of 32 Sideroad. Silver Creek parking is roadside only and can fill on weekends from 11 a.m. to 5 p.m. Entry is free; no washrooms.
- **Walking Fern Side Trail:** Follows the valley bottom and is rated difficult. Look for walking fern and other unusual plants; CVC also notes an escarpment lookout.
- **Main trail:** CVC calls the Bruce Trail here strenuous, with long steep climbs, rocks, boulders, roots, fallen trees and narrow sections. Streams are crossed on wooden bridges.
- **Roberts Side Trail:** Rated moderate, through mature woods with a boardwalk past a pond that protects Jefferson salamander habitat.
- **Irwin Quarry Side Trail:** Rated difficult. It visits one of about 50 small quarries along the escarpment, worked because the soil over the limestone was so thin; the exposed limestone has since been replanted.
- **Dogs:** CVC lists dog walking on several Silver Creek trails.
