What to expect

- **Parking:** the lot on the east side of 3rd Line EHS. A short trail on the west side of the road leads to the Glen Cross Side Trail. There's no fee.
- **Glen Cross and Isabel East side trails:** with the Tom East Side Trail, these make up the Bruce Trail 'Jeju Olle' Friendship Trail, twinned with a route on Korea's Jeju Island. Isabel East, a long-time club volunteer and president, was Tom East's wife. A loop listing for Glen Cross rates it difficult, so expect some climbs.
- **Hockley Valley Provincial Nature Reserve:** Ontario Parks describes forested moraines, open meadows and a picturesque gorge cut by the Nottawasaga River. There are no visitor facilities, so bring water.
- **Cam Snell Side Trail:** named for a Ministry of Natural Resources superintendent who helped the club build trails on provincial land in the late 1980s. We didn't find a description of its terrain.
- **Dogs:** allowed on leash throughout. Detailed terrain notes for these trails were not found, so allow extra time.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Caledon Hills Bruce Trail Club pages, Ontario Nature Trails and Ontario Parks.
