What to expect

- **Parking:** A small NVCA lot on the east side of 2nd Line. A directory listing for Petun Conservation Area (675485 2nd Line) shows parking as paid, so check the NVCA site for current fees.
- **Petun area:** The conservation area sits at one of the highest elevations on the Niagara Escarpment. Here the Bruce Trail winds through rock faces, cliffs and crevices. Keep Zappy on a short leash near the edges.
- **John Haigh Side Trail:** Follows the 2nd Line road allowance and passes the highest point on the entire Bruce Trail. Parts run on the road shoulder, so keep the dog close.
- **Petun Side Trail:** The longest leg of the hike. It includes a road-shoulder stretch, where the dog should stay close. No further description was found.
- **Black Ash Creek Side Trail:** A short access trail from the parking area. No details were found.
- **Plants and phones:** Watch for poison ivy and giant hogweed. Cell service is unreliable in parts of The Blue Mountains.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Ontario Conservation Areas, Ontario Nature Trails and the Town of The Blue Mountains trail map.
