What to expect

- **Parking:** Off-road parking for about 3 cars on the east side of County Rd 13, with roadside parking for more.
- **Climb:** The Old Baldy lookout sits about 152 m above the Beaver Valley and the village of Kimberley, so expect a good climb from the valley-road parking.
- **Old Baldy lookout:** A series of rocky outlooks over the Beaver Valley and Kimberley. Footing is uneven with exposed rock and roots, and can be icy in winter.
- **Cliff edges:** The lookouts are on an unprotected edge of the Niagara Escarpment with steep drop-offs. Keep Zappy on a short leash and well back from the edge. Rock climbing is permitted here, so you may meet climbers.

- **Mac Kirk Side Trail:** Listed as covered on this outing; no published description was found.
