What to expect

- **Parking:** Roadside on the shoulder of Sideroad 6, near the start of the Spey River Forest Side Trail.
- **Spey River Forest Side Trail:** An out-and-back of about 3.4 km each way on one blue-blazed side trail. We found no published description of its terrain or features, so check the Bruce Trail app or maps before you go.
- **Hunting:** The Sydenham club notes that hunting may be allowed on county forests, private land and some public land, though it is generally prohibited on Bruce Trail Conservancy land.
- **Dogs in fall:** The Sydenham club asks that dogs stay leashed and on the Trail, especially near farmland, and suggests an orange or fluorescent harness or bandana during hunting season (bow season runs most of October to December, with gun weeks in November and December).
