What to expect

- **Parking:** Limited roadside parking at the end of Sideroad 15, just before it becomes an unopened road allowance.
- **Road walking:** The Tall Pines Side Trail follows a road shoulder at the start and end of this hike. Keep Zappy close.
- **Tall Pines & Rocksprings side trails:** An out-and-back on the Tall Pines Side Trail with a short Rocksprings Side Trail spur. We could not find published descriptions of the terrain or features, so check the Bruce Trail app or maps before you go.
- **Dogs in fall:** The Sydenham club asks that dogs stay leashed and on the Trail, especially near farmland, and suggests an orange or fluorescent harness or bandana during hunting season (bow season runs most of October to December, with gun weeks in November and December).

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on the Sydenham Bruce Trail Club; little else was found.
