What to expect

- **Parking:** Roadside along 11th Line, north of Hwy 26, at the entrance to the Cottonwood Side Trail.
- **Cottonwood loop:** An easy 2 km loop and one of the few “satellite” side trails that do not connect to the Main Trail. It is named for a large, rare cottonwood tree along the way. The club walks it counter-clockwise.
- **Highlights:** A hidden waterfall and a lookout over Georgian Bay near the end of the loop.

- **Dogs:** The Sydenham club asks that dogs stay leashed and under control, especially on or near farmland, and suggests a bright orange harness or bandana during the fall hunting seasons.
