What to expect

- **Parking:** Limited roadside parking about 450 m north of Hwy 26, where the Main Trail leaves the road to the east.
- **Main Trail & Beaver Springs Side Trail:** A short walk out on the Main Trail with the Beaver Springs Side Trail. A hiker's trip report notes that the Bruce Trail Conservancy owns the Beaver Springs Wetland property along this part of the trail. We found no detailed description of the terrain.
- **Dogs in fall:** The Sydenham club asks that dogs stay leashed and on the Trail, especially near farmland, and suggests an orange or fluorescent harness or bandana during hunting season (bow season runs most of October to December, with gun weeks in November and December).

Turn-by-turn

1.0	0.6	J1: Turn right onto the blue-blazed Beaver Springs Side Trail, heading south. (the white-blazed main Bruce Trail goes off ahead; the blue-blazed Beaver Springs Side Trail goes off on your right.)
2.5	1.6	J1: Turn left onto the white-blazed main Bruce Trail, heading west. (the white-blazed main Bruce Trail goes off on your right; the Beaver Springs Side Trail you already walked goes off on your left.)
3.5	2.2	Back at the parking. Hike complete.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on the Sydenham Bruce Trail Club and a hiker's trip report; little else was found.
