What to expect

- **Parking:** Park at the Grey-Bruce Tourist Information Office. You enter from Hwy 6, just north of the junction of Hwys 6 and 21. Ontario Nature Trails lists no fee.
- **Merle Gunby Side Trail:** A blue-blazed trail on natural and rocky ground, rated moderate, through hardwood forest. It links the tourist office lot to the main Bruce Trail, and a short spur leads south to Jones Falls.
- **Jones Falls:** Owen Sound Tourism says the Pottawatomi River drops about 12 m over the Escarpment here and recommends the bridge for the best view. From the top you can stand at the lip of the falls and look straight down, so keep Zappy well back from the edge.

Trilliums line the trail in spring.

- **Memorial Forest Side Trail:** The Sydenham club suggests taking this side trail down to the base of Jones Falls for a close-up view. Expect a descent, then a climb back up to the main trail.
- **Dogs:** Zappy stays on leash. The Sydenham club asks that dogs be leashed and kept under control, especially near farmland, and suggests an orange or fluorescent harness or bandana in hunting season so a dog isn't mistaken for wildlife.
