What to expect

- **Parking:** Roadside parking at the end of Concession 14. It's roadside only, so pull well off and leave room for other vehicles.
- **The Gap and Lindenwood Pond side trails:** A short out-and-back: The Gap Side Trail leads to the Lindenwood Pond Side Trail, then you return the same way. We couldn't find published descriptions of the terrain or features on these two trails, so expect natural-surface footpath and check the current Bruce Trail map before you go.
- **Lindenwood:** The Sydenham club describes Lindenwood as a Bruce Trail Conservancy property and points out donor recognition plaques near the Lindenwood parking lot.
- **Dogs:** Zappy stays on leash. The Sydenham club asks that dogs be leashed and kept under control, especially near farmland, and suggests an orange or fluorescent harness or bandana in hunting season so a dog isn't mistaken for wildlife.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on the Sydenham Bruce Trail Club and Ontario Nature Trails; details for this short loop were sparse.
