What to expect

- **Parking:** Use the small off-road lot only. Roadside parking is prohibited and enforced.
- **Fairway Meadows Side Trail:** Added in October 2024 at the invitation of private landowners near Little Cove. It joins the main trail at the Dolostone Arch Nature Reserve and at Little Cove Provincial Nature Reserve, making a loop of about 6 km. Stay on the trail across private land and keep Zappy leashed.
- **Road walking:** Parts of the main trail and the Fairway Meadows Side Trail follow road shoulders. Keep Zappy close.
- **Terrain:** No source described this trail's terrain. Expect typical northern Peninsula conditions with rocky footing.

Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on the Bruce Trail Conservancy trail-change notice; details were limited.
