What to expect

- **Parking:** The lot is off Old Glendale Rd, between Twelve Mile Creek and Riverview Blvd, north of Glendale Ave. No fee or capacity details were found.
- **The Twelve Side Trail:** This blue-blazed side trail follows Twelve Mile Creek through St. Catharines. It changes from singletrack to a wide groomed or gravel path, open in some places and wooded in others. There are no steep sections. You'll pass under overpasses and may see deer at the creek.
- **The Twelve Side Trail-01:** A connected branch of the same side trail. A pedestrian bridge north of Glendale crosses the creek and links trails on both banks.
- **Road walking:** Two stretches of the Twelve Side Trail follow a road shoulder on this route. Keep Zappy close.
- **Dogs:** Leashed dogs are welcome on the Bruce Trail and its side trails.

Parking options

No other official Bruce Trail parking lies within about 1 km of this route. If you need to stop early, turn back the way you came; the GPS track records what you covered, and the website shows what is left.

Can't do it all in one go? Split it into two shorter outings: **Outing 1** from the planned parking (P): 4.9 km / 3.1 mi, covering The Twelve. **Outing 2** from the planned parking (P) again: 5.5 km / 3.4 mi, covering The Twelve, The Twelve-01.. The website's map shows which parts are already done.

Parking costs were checked in October 2026 from operator websites and Bruce Trail Conservancy data; prices and booking rules change, so check before you go.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Hiking Project and Great Runs.
