What to expect

- **Parking:** A parking area on the north side of King Street (Hwy 81). No fee or capacity details were found.
- **Twenty Valley Side Trail:** The former Jordan Hollow Side Trail, renamed and extended in December 2025. It links the main Trail with the new Sho'arishon Park Neutral Nation Legacy Site on King Street, then follows Twenty Mile Creek to a new 20-car lot on Twenty First Street.
- **Closures:** Parts of the Twenty Valley Side Trail had two temporary closures in 2026 (March and August); both have been lifted. Check brucetrail.org trail changes before you go.
- **Jim Rainforth Side Trail:** A dirt path with small hills that passes a small cascade, a low step falls of about 1 m. In August 2026 one segment was slightly rerouted to avoid a wet section, so follow the current blazes. Nineteenth St, near where it starts, has a blind hill.
- **Upper Falls Side Trail:** A blue-blazed side trail in the middle of the route. We could not find a published description of its terrain or features.
- **Dogs:** Leashed dogs are welcome on the Bruce Trail and its side trails.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Bruce Trail Conservancy trail-change notices and Waterfalls of Ontario; details on the Upper Falls Side Trail were thin.
