What to expect

- **Parking:** At the baseball diamonds, reached from Fifth Line just southeast of Limehouse village. Entry is free; there are no washrooms.
- **Main trail through Limehouse:** Credit Valley Conservation rates it difficult, with stone, soil, steps, a ladder and steep grades. It passes rock fissures and the Hole in the Wall, where a ladder leads down into cracks in the escarpment. CVC says this trail is not suitable for pets because of the terrain, so plan how you will handle Zappy here.

- **History:** Watch for a restored 1870s lime kiln, a restored powder house once used to store blasting powder, old mill remains near the Black Creek bridge, and a lookout over the railway tracks.
- **Road walking:** Two short stretches of the main trail follow a road shoulder (a trip report names Kirkpatrick Lane and Fifth Line near Limehouse); keep Zappy close and walk single file facing traffic.
- **Side trails:** No descriptions were found for the Ridge or Todd Bardes Meadowland side trails; follow the blue blazes.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Credit Valley Conservation, Hiking the GTA and a Vanderplas family trip report.
