What to expect

- **Parking:** A small NVCA lot at 8861 Nottawasaga 15/16 Sideroad, open dawn to dusk. A day pass costs $15 + HST per vehicle; buy it through HotSpot or scan the QR code on site. Approach through Singhampton, as the NVCA directs. It warns that map apps may route you along 15/16 Sideroad and Concession 8, which it advises against.
- **Keyhole Side Trail:** Takes you through narrow crevices in the rock, which the NVCA calls an "other-worldly experience." Snow can linger in the crevices into June. Expect tight spots with the dog.
- **Nottawasaga Bluffs Lookout Side Trail:** Leads toward views over the surrounding countryside. The NVCA lists its lookout trail as open only part of the year.
- **Main Bruce Trail:** One loop description notes an old limestone kiln along this stretch.
- **Caution:** The area is a natural hazard area with fissures, crevices and cliffs that can be hidden. Stay on the marked trail. Dogs must be leashed.

Parking options

No other official Bruce Trail parking lies within about 1 km of this route. If you need to stop early, turn back the way you came; the GPS track records what you covered, and the website shows what is left.

Parking costs were checked in October 2026 from operator websites and Bruce Trail Conservancy data; prices and booking rules change, so check before you go.
