What to expect

- **Parking:** Official off-road lot on the north shoulder of 21st Sideroad, provided by the Town of the Blue Mountains, with a 4-hour limit.
- **5th Line Side Trail:** New in August 2026. It starts at the 21st Sideroad parking area and heads north along the road allowance to the Len Gertler Side Trail and Loree Forest. No description of its terrain was found.
- **Len Gertler Side Trail:** Blue-blazed, through the Len Gertler Memorial Loree Forest, named for an environmentalist who helped shape the Niagara Escarpment Plan. A trip report calls it well maintained and well marked, mostly level with exposed roots and rocks.

- **Views:** A clearing and wooden platform at the north end of the forest normally give views of Georgian Bay.
- **Short outing:** At about 2.7 km this is an easy half-day, all on side trails.

Parking options

No other official Bruce Trail parking lies within about 1 km of this route. If you need to stop early, turn back the way you came; the GPS track records what you covered, and the website shows what is left.

Parking costs were checked in October 2026 from operator websites and Bruce Trail Conservancy data; prices and booking rules change, so check before you go.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on a Bruce Trail Conservancy trail-change notice, Ontario Nature Trails and Ontario Hiking.
