Day 48 | 12.1 km (7.5 mi)

What to expect

- **Parking:** Roadside on the **north side** of Maple Lane only; parking is prohibited on the south side. Do not block driveways.
- **Road walking:** The route begins and ends on a road section of the main Bruce Trail. Walk on the shoulder and keep Zappy close.
- **Main Bruce Trail:** White-blazed. A trail guide describes it dropping through a steep valley and climbing to a ridge with views north, then running west near the top of the private Georgian Peaks ski club.
- **Len Gertler Memorial Loree Forest:** The Len Gertler Side Trail (blue blazes) loops through this forest, named for an environmentalist who helped shape the Niagara Escarpment Plan. A trip report calls it well maintained and well marked, mostly level with exposed roots and rocks; a clearing and wooden platform at the north end normally give views of Georgian Bay.
- **Length:** At about 12.3 km this is a full day; most of it is on the main trail getting to and from the Len Gertler loop.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Ontario Nature Trails and Ontario Hiking.
