What to expect

- **Parking:** Use the official municipal lot at the end of Dunks Bay Rd. Northern Bruce Peninsula runs paid parking in Tobermory from May 15 to September 15, and Parks Canada passes are not valid in municipal lots, so check the rules for this lot before you go.
- **Burnt Point Loop Side Trail:** Starts across from the Dunks Bay Lookout and passes through cedar forest and small ponds, with rough, rocky sections (sturdy footwear recommended). There are Georgian Bay views at the halfway point near the tip of Burnt Point. Sections are sometimes closed by high water, so check conditions.
- **Viewpoint & access trail:** A short spur leads to a viewpoint over the bay. Burnt Point is a busy area in summer.
- **Dogs:** 10Adventures notes pets are allowed on leash on the Burnt Point Loop.

- **Park pass:** 10Adventures says a valid Parks Canada pass is required for the Burnt Point Loop. Check before you go.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Parks Canada, 10Adventures and Northern Bruce Peninsula.
