What to expect

- **Parking:** Woodend Conservation Area is entered from Taylor Rd, 140 m north of Warner Rd. Parking and entry are free, but the lot is limited, so arrive early on weekends.
- **Margaret Kalogeropoulos Side Trail:** This blue-blazed side trail starts with a short road-shoulder stretch; keep Zappy close. It pairs with the main trail for a short loop through shaded hardwood forest with Carolinian trees such as black cherry and sugar maple.
- **Main Bruce Trail:** Runs along the escarpment edge past rock outcrops and a stacked-stone wall. The ground is uneven but the walking is easy. Blazes aren't always on trees, so watch the ground too. Highway noise carries at times.

- **Wetland Ridge & Niagara College Side Trails:** These lead to Niagara College's campus, where old sewage lagoons have become a 7-hectare wetland with interpretive signs. The route passes a First Nations, Métis and Inuit Garden and the college Teaching Winery, which has the area's only washroom.
- **Dogs:** Leashed dogs are welcome on the Bruce Trail. No park-specific dog rules were found.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on I've Been Bit and Vishwa Walking.
