What to expect

- **Parking:** the Bruce Trail lot on the east side of 1st Line EHS. The Upland Side Trail branches off the Goodyear Memorial Side Trail just east of the lot.
- **Goodyear Memorial and Upland side trails (Riverside Woods Nature Reserve):** a former Scout camp the Bruce Trail Conservancy bought in 2023. Pine stands and meadows being restored to native grassland. The Upland trail is flat, with a bench at a view north and east. Stay away from the old camp buildings, which are unsafe.
- **Toward the Nottawasaga River:** the Goodyear Memorial Side Trail drops into the river valley and climbs back out, the day's main ups and downs. The short Rushing River Side Trail (about 200 m) leads down to the river.
- **Road walking:** the white-blazed main Bruce Trail follows a road shoulder for a stretch, walked both ways. Keep the dog close.
- **Tom East Side Trail (Hockley Valley Provincial Nature Reserve):** 2.5 km through rolling woodland, making a loop with the main Trail. It's named for Tom East, who led the first Bruce Trail guidebook (1965). The reserve has no visitor facilities.
- **History:** Goodyear bought the land in 1946 as a memorial to employees who died in the Second World War, and it was a Scout camp until 2016. James Dodds' 1857 stone house is on private land; view it from the trail only.
- **Dogs:** allowed on leash throughout. Check for ticks after the meadows.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on Caledon Hills Bruce Trail Club side-trail stories (Goodyear Memorial, Upland, Tom East) and Ontario Parks.
