What to expect

- **Parking:** Roadside on the west side of 8th Concession N, north of Hwy 26, at the entrance to the Pines Side Trail.
- **Pines Side Trail:** A loop through a white pine plantation and an old apple orchard, past the remains of a pioneer cabin and the stonework of a settler's barn.
- **Clearview Side Trail:** Follows a wetland with marsh marigolds in early spring, and it can be muddy. In spring, salmon spawn in a tributary of Bothwell Creek.

- **Optional detour:** The club's version of this loop adds about 200 m south on the Main Trail to the Polish Soldier Tree, a large beech carved in 1942 by a Polish soldier training near Owen Sound. It has an interpretive sign.
- **Dogs:** The Sydenham club asks that dogs stay leashed and under control, especially on or near farmland, and suggests a bright orange harness or bandana during the fall hunting seasons.

Distances and junctions are computed from the Bruce Trail Conservancy's trail data (Bruce County GIS). Left/right is calculated from the trail geometry. Use it as a guide, follow the blazes, and check the Conservancy's trail-change notices before you go. Dogs must be leashed everywhere on the Bruce Trail. Trail descriptions draw on the Sydenham Bruce Trail Club and a hiker's trip report.
