What to expect

- **Parking:** Roadside on the eastern shoulder of Cape Chin North Rd, where the side trail enters. Pull fully off the road.
- **Cape Chin Meadows Side Trail:** Part of the club's Friendship Trail loop near Cape Chin. It winds through old farm fields, bush lots and back roads. A club group hiking here found signs of black bears (overturned rocks, apple feeding), so keep Zappy leashed and close.
- **Main Bruce Trail:** The main trail here has cliff-edge views of Georgian Bay with rocky climbs and descents. Keep Zappy close near the edge.
- **Pat Daunt Side Trail:** A short 0.6 km spur. No specific description was found.
- **Road walking:** The final stretch of the Cape Chin Meadows Side Trail follows a road shoulder back toward the car. Keep Zappy close.
